7 Members' Duties

Unless granted exemption by the club committee, all Full Members are expected to undertake duties in support of the club activities. Duties will be kept to the minimum to ensure the smooth running of events in the Programme of Sailing Events. These are dependent on the number of Full Members but are typically 2-3 times per season.

If other members are available to undertake duties, please let that be known.

Part 2 of the membership form is your opportunity to intimate specific suitability, requirements, issues and dates not available for duties to assist in duty allocation. A blank or nonsubmittal of a Part 2 indicates that you have no restrictions on duties and dates. **ANY FULL MEMBER SEEKING EXEMPTION FROM DUTIES SHOULD CONTACT THE CLUB SECRETARY** (secretary@lochardsc.org.uk).

The principal club duties are as follows:

Saturday/Sunday club duties: these will be assigned on the basis of the information you provide on the Membership application Part 2. Any member seeking to be excused such duties should contact the membership secretary as soon as possible to enable the request to be considered by the Committee.

The Committee hopes that as many as possible will be willing to act as Officer of the Day (in charge of events) and Safety Officer (in charge of the safety boat and safety on the water). **Training can be provided for those who sign up to those duties, and details will be circulated shortly. Any member needing training should indicate that in the request section at the bottom of the form.** Less experienced members will be assigned duties as assistants in the first instance.

Members will not be assigned duties on dates they indicate they are unavailable. Once the duty roster is issued, if they are unable to carry out duties allocated they are responsible for arranging an exchange with other members. In case of difficulty the membership secretary may be able to circulate the request to other members, but cannot undertake to rearrange duties.

Work parties: maintenance of club premises and equipment is essential to club activities, to safety, and to the future of the club. While participation is voluntary, members are expected to assist with this wherever possible, and they are asked to note the work party dates publicised.
